

# Capital Campaign 2019-2021

## Saints Constantine & Helen Greek Orthodox Community

Our community needs \$1,000,000 over the next three years to complete all phases of the necessary improvements to our building and establish a reserve of funding for future repairs. We realize that everyone must give according to their means, and that those means are influenced by our individual circumstances. Below is some guidance to help you determine your gift.

**O**ur Saints Constantine & Helen Capital Campaign offers seven levels of giving to help our parishioners get involved and contribute to the continued glory of our church and community. These levels are designed to help every member find an appropriate level of giving. We encourage everyone to speak to the members of their family and to pray about their commitment to this campaign. Please use the levels below to help you estimate your commitment over the next three years.

**DONOR – UP TO \$600 PER YEAR (\$50 PER MONTH)**

**BRONZE PATRON - \$1200 OR MORE PER YEAR (\$100 PER MONTH)**
