To become a stewardship-funded church, we need our parishioners to commit to proportional giving. Although the Bible discusses, and many churches require, a 10% tithe, we are asking our parishioners to begin by committing a percentage of their income. If we all commit to a meaningful percentage, we can achieve our goal of covering our operations through stewardship.

Percentage	GIVING CHART: Household Annual Income				
	\$25,000	\$50,000	\$100,000	\$250,000	\$400,000
3%	\$750	\$1,500	\$3,000	\$6,500	\$12,000
5%	\$1,250	\$2,500	\$5,000	\$12,500	\$20,000
7%	\$1,750	\$3,500	\$7,000	\$17,500	\$28,000
10%	\$2,500	\$5,000	\$10,000	\$25,000	\$40,000
